Colin Andrews has recorded 14 compact discs for the Naxos, Gothic, Loft, Priory & Zig Zag labels and has also recorded more than 30 programmes for the BBC in England. He has also appeared on television and radio in Japan, Belgium, Russia, Poland and New Zealand. He is frequently featured on the worldwide radio programme "Organroxx".

Andrews is one of only five organists in the world to have recorded the complete organ works of Olivier Messiaen, and will feature a major work from this repertoire in Adelaide.

His recordings have been widely acclaimed; in 2012, the magazine, "Christianity Today" listed Mr. Andrews's recording of Messiaen's "l'Ascension" & "Messe de la Pentecote" in the top 10 recordings of Sacred Music.
