# POLICY

South Australian Catholic Child Protection Council Policy for the  
Care, Wellbeing and Protection  
of Children and Young People

Child  
Protection  
Council

"Children need people who  
want to be there for them.

They need people that  
will be kind to them.

Children would be happy to  
have someone who loves them."

(Year 3-4 student at Galilee Catholic School, 2009)

**1. Introduction:**

1.1 *“Children and young people are our present and our future.*

*They have the right to grow and to develop their full potential physically, emotionally and spiritually.*

*That potential is their families’ and communities’ responsibility to nurture and fulfil.”*

(Excerpt from the Child Protection Council Charter, March 2005)

- 1.2 The South Australian Catholic Child Protection Council operates within the legislation, the *Children's Protection Act 1993 (SA)* and the amendments which came into effect in 2006. The Council was established to promote and oversee the safety and wellbeing of children and young people within the Church community in South Australia, in partnership with their families.
  
- 1.3 It is essential that children and young people are respected and valued through trusting and secure relationships. In this way, a foundation of emotional, physical and spiritual wellbeing and security is achieved for children and young people. This is our community responsibility and the responsibility of the Church.
  
- 1.4 This Policy informs and directs all child protection procedures within the Archdiocese of Adelaide and the Diocese of Port Pirie.
  
- 1.5 This Policy applies to all clergy, religious, pastoral directors, pastoral associates, principals, directors of diocesan agencies, employed staff and volunteers.

## 2. Underlying principles:

*“Let the children come to me; do not stop them; for it is to such as these that the kingdom of God belongs.”*

Mark 10:13-15

- 2.1 Children and young people have unique gifts, and each child and young person requires different support to reach their potential.
- 2.2 Children and young people grow to their full potential when they are provided with a spiritual, emotional and physical environment that is enriching and safe.
- 2.3 The Catholic Church shares the responsibility for the care, wellbeing and protection of the child or young person with their family and the broader community.
- 2.4 The Child Protection Council will work with all Church bodies in the Archdiocese of Adelaide and the Diocese of Port Pirie to encourage and promote leadership in the field of child protection.
- 2.5 The Child Protection Council will provide advice and assistance to Church bodies to develop, implement and review their child protection procedures in line with the Charter and this Policy.
